The Commonwealth of Massachusetts

A Proclamation

Whereas, America's strongest economic growth in almost 40 years has been driven by the resilience of our small businesses who, despite a worldwide pandemic, continue to pioneer innovative solutions to our country's greatest challenges and create opportunities for families and workers; and

Whereas, Small businesses remain the heartbeat of our communities and the American economy, employing more than half of our Nation's workers, inventing and innovating to launch new technologies and create new American-led industries, enriching our Main Streets, making parts and products in America to fuel our supply chains, and building our Nation's infrastructure; and

Whereas, Historic investments made through the President's American Rescue Plan, Infrastructure Investment and Jobs Act, CHIPS and Science Act, and Inflation Reduction Act will ensure small businesses have access to federal capital support, technical assistance, contracting opportunities, and other resources to help lead the way as we rebuild America's roads and bridges and build a clean energy economy for the future; and

Whereas, When we support small businesses, jobs are created, and local communities preserve their unique culture; and

Whereas, Entrepreneurship continues to be one of the best pathways to the American Dream, evidenced by the remarkable small business boom, with more than 10.5 million Americans applying to start a business since January 20, 2021 — more than in any other two-year period in American history; and

Whereas, By renewing our commitment to supporting small businesses, we can maintain our global competitiveness and build a stronger Nation where everyone can succeed - from the bottom up and middle out; and

Whereas, The President of the United States has proclaimed National Small Business Week every year since 1963 to highlight the programs and services available to entrepreneurs through the U.S. Small Business Administration and other government agencies,

Now, Therefore, I, Maura T. Healey, Governor of the Commonwealth of Massachusetts, do hereby proclaim April 30th through May 6th, 2023 to be,

NATIONAL SMALL BUSINESS WEEK

And urge all the citizens of the Commonwealth to take cognizance of this event and participate fittingly in its observance.

Given at the Executive Chamber in Boston, this first day of April, in the year two thousand and twenty-three, and of the Independence of the United States of America, the two hundred and forty-sixth.
